SECOND AMENDED EMERGENCY ORDER

THIS MATTER having come before the New Mexico Superintendent of Insurance (Superintendent) upon executive order issued by the Honorable Michelle Lujan Grisham, Governor of the State of New Mexico, addressing fire emergencies in various parts of the State of New Mexico under the Constitution and laws of New Mexico, including the All Hazard Emergency Management Act, NMSA 1978, Sections 12-1-1 through 12-10-10 (1959, as amended through 2007).

THE SUPERINTENDENT FINDS AND CONCLUDES:

1. The Superintendent has jurisdiction over this matter pursuant to the New Mexico Insurance Code, NMSA 1978, Sections 59A-1-1 *et seq.* and specifically NMSA 1978, Section 59A-2- 8(A)(11) and (B) (2021);
2. The Governor of the State of New Mexico, the Honorable Michelle Lujan Grisham, has declared in Executive Order 2024-033, issued June 18, 2024, an emergency in Lincoln County and the Mescalero Apache Reservation, New Mexico due to the Salt Fire and South Fork Fire;
3. Upon an order by the Governor based upon the invocation of a state of emergency under the All Hazard Emergency Management Act, the Superintendent, pursuant to NMSA 1978, Section 59A-2-8(A)(11), may “take those actions necessary to ensure access to insurance and the stability of insurance markets during the emergency[.]” including issuing emergency orders to

address any or all of the following:

- (a) grace periods for payment of insurance premiums and performance of other duties by insureds;
- (b) refund of premiums;
- (c) waiver of cost sharing or deductibles;
- (d) temporary postponement of cancellations and nonrenewals;
- (e) reporting requirements for claims; and
- (f) suspension of compliance with a statute, rule or contract, if strict compliance would prevent, hinder or delay necessary action in response to the emergency;

4. The Governor's executive order details the damage to the areas involved in the wildfires, the destruction of homes and other structures, the impact to local infrastructure, the undue human and animal suffering, the threats to the health, safety, and welfare of citizens, the threats to the economic function of those counties, and in several counties, the evacuation of residents from their homes;

5. The Superintendent finds that the social and economic dislocation of residents, along with widespread and catastrophic property damage, caused by the fires that are the subject of the Governor's executive order, threaten access to insurance and the stability of insurance markets during the emergency;

6. The Superintendent further finds that residents who have left their homes, been ordered to evacuate their homes, and who are temporarily or permanently relocated to other areas, may have lost access to health care providers, their prescription medications, and other necessary health services;

7. The Superintendent additionally finds that residents who have left their homes, been ordered to evacuate their homes, and temporarily or permanently relocated to other areas may have lost access to records and documents that would assist them in filing claims for destroyed or damaged property;

8. On June 18, 2024 the Superintendent issued an Emergency Order and an Amended Emergency Order related to the Salt and South Fork fires and the Governor's Executive Order No. 2024-033; and
