STATE OF TENNESSEE  
**EXECUTIVE ORDER**  
BY THE GOVERNOR

No. 107

**AN ORDER TO PROVIDE CONTINUED RELIEF TO VICTIMS OF SEVERE  
WEATHER AND FLOODING IN TENNESSEE**

**WHEREAS**, on September 27, 2024, I issued Executive Order No. 105, later amended by Executive Order No. 106, declaring a state of emergency in response to the severe weather affecting significant portions of the State; and

**WHEREAS**, the collaboration of residents, officials, and businesses, together with numerous volunteers and philanthropic agencies, has resulted in admirable recovery efforts since the severe weather event, but considerable recovery work remains to be done; and

**WHEREAS**, local, state, and federal agencies and other organizations continue to actively engage in relief efforts throughout the affected regions.

**NOW THEREFORE**, I, Bill Lee, Governor of the State of Tennessee, by virtue of the power and authority vested in me by the Tennessee Constitution and applicable law including Tennessee Code Annotated § 58-2-107, do hereby declare a continuing major disaster and state of emergency and order:

1. The relevant provisions of Tennessee Code Annotated, Titles 63 and 68, and related rules are hereby suspended to give the Commissioner of Health the discretion to allow a health care professional who is licensed in another state, and who would otherwise be subject to licensing requirements under Title 63 or Title 68, to engage in the practice of such individual's profession, if such individual is a health care professional who is assisting victims of the severe weather in Tennessee.
2. Any provision of the Tennessee Code Annotated and related rules that require Tennessee residency as a condition of eligibility to participate in programs administered by the Department of Health are hereby suspended to allow otherwise eligible evacuees from the severe weather to participate in such programs. These programs include but are not limited to the Special Supplemental Nutrition Program for Women, Infants and Children (Tenn. Comp. R. & Regs. Chapter 1200-15-2-

.03), Renal Disease Program (Tenn. Comp. R. & Regs. Chapter 1200-11-1-.03), Hemophilia Program (Tenn. Comp. R. & Regs. Chapter 1200-11-2-.03), Children's Special Services (Tenn. Comp. R. & Regs. Chapter 1200-11-3-.03), and the Child Safety Fund (Tenn. Comp. R. & Regs. Chapter 1200-11-4-.04).

3. The relevant provisions of Tennessee Code Annotated, Title 56, and related rules are hereby suspended to give the Commissioner of Commerce and Insurance the discretion to direct Tennessee-licensed insurance companies to make reasonable efforts to assist policyholders who have experienced losses as a result of the severe weather in Tennessee. Specifically, where a delay in premium payment appears to be the result of a disruption to the mail delivery system or the policyholder's displacement due to the severe weather in Tennessee, the Department of Commerce and Insurance requests that insurers work with policyholders and take those circumstances into account before cancelling a policy and that insurers suspend cancellations or non-renewals of policies for non-payment of premiums for a period of at least sixty (60) days from the effective date of this Order for those policyholders who have suffered property damage, injuries, or loss of life as a result of these catastrophic events. The Commissioner of Commerce and Insurance has the discretion to allow an insurance professional who is licensed in another state and who would otherwise be subject to licensing requirements under Title 56 to engage in the practice of such individual's profession, if the individual is assisting victims of the severe weather in Tennessee.
4. The provisions of Tennessee Code Annotated, Section 55-50-323, and related rules are hereby suspended to the extent necessary to give the Commissioner of Safety and Homeland Security the discretion to waive fees for duplicate driver licenses or photo identification licenses issued to persons affected by the severe weather in Tennessee.
5. The relevant provisions of Tennessee Code Annotated, Title 62, Chapter 6, Part 1, and related rules are hereby suspended to allow the Board for Licensing Contractors to temporarily license a person otherwise qualified to be licensed as a contractor without examination if the person provides sufficient proof, in the discretion of the Board or the Board's designee, that the issuance of the license is to assist victims of the severe weather in Tennessee and that the person to be licensed has sufficient experience and knowledge in the field of contracting in which the license will be issued to provide for the protection of the health, safety, and welfare of the public. Any applicable fees shall be prorated. Any such license shall not be eligible for renewal and shall expire six (6) months from the date of issuance.
6. The provisions of Tennessee Code Annotated, Sections 55-6-101(a)(4) and 55-6-104(a)(4), are hereby suspended to waive the fees due to the State and county clerk for the issuance of a duplicate title to replace a motor vehicle title that is lost or mutilated, pursuant to Tennessee Code Annotated, Section 55-3-115, for persons affected by the severe weather in Tennessee.

7. The provisions of Tennessee Code Annotated, Section 55-4-401, through Tennessee Code Annotated, Section 55-4-413, Tennessee Code Annotated, Section 55-7-201, through Tennessee Code Annotated, Section 55-7-209, and Tenn. Comp. R. & Regs. 1680-07-01-.01 through Tenn. Comp. R. & Regs. 1680-07-01-.25 that set forth maximum weight, height, length, and width limitations are hereby suspended in the case of vehicles providing relief efforts in response to the severe weather in Tennessee, subject to the following conditions:
  - a. A vehicle must be transporting emergency supplies, equipment, or mobile housing units to the impacted areas.
  - b. A vehicle shall be permitted only to travel on (1) Interstate Highways; (2) highways on the National Highway System; and (3) other state-maintained highways and roads as may be required to respond to the severe weather emergency, without any restrictions on their time of movement except as may otherwise be provided in this Order.

  - d. The outer bridge span of any five-axle truck tractor/semi-trailer combination shall be no less than fifty-one feet (51’).
  - e. The overall dimensions of a vehicle and load shall not exceed:
    - i. One hundred feet (100’) in length;
    - ii. Fourteen feet, four inches (14’ 4”) in height on the Interstate Highway System, except on Interstate 55, and thirteen feet, six inches (13’ 6”) in height on Interstate 55 and any other highway on the National Highway System; or
    - iii. Fourteen feet, six inches (14’ 6”) in width.
  - f. Vehicles that do not exceed ten feet (10’) in width may travel seven (7) days per week during daylight or nighttime hours without any time restrictions.
  - g. Vehicles transporting FEMA or other mobile housing units exceeding ten feet (10’) in width, but not exceeding fourteen feet, six inches (14’ 6”) in width, may travel seven (7) days per week during daylight or nighttime hours without any time restrictions except as follows:
    - i. To promote public safety by avoiding “rush hour” traffic, vehicles shall not transport any load authorized herein between the hours of

  - i. This Executive Order shall serve as a special permit for transporting any load authorized herein. Transporters shall keep appropriate identification as designated by FEMA or their state of origin in their vehicle while transporting any load permitted by this Order and shall reference this Order as permitting such transports.
  - j. Any person, firm, company, corporation, or other entity that undertakes the movement of any overweight and/or overdimensional article and/or commodity on the highways of Tennessee shall hold Tennessee and its officers and employees harmless from any claims for damages resulting from the exercise of any of the privileges granted under this Order and, to this end, shall carry liability insurance with an insurer, acceptable to the Tennessee Department of Transportation's Oversize and Overweight Permit Office, in the amount of not less than three hundred thousand dollars (\$300,000) for each claimant and one million dollars (\$1,000,000) per occurrence. The transporter shall carry the certificate of insurance in the vehicle at all times.
- 8. Any request by vehicles carrying appropriate identification designated by FEMA or their state of origin that are transporting emergency supplies, equipment, or mobile housing units in response to the severe weather in Tennessee for a special permit to transport loads in excess of the foregoing weight, height, length, and width limits or other restrictions shall be given expedited consideration and may be approved within the discretion of the Tennessee Department of Transportation's Oversize and Overweight Permit Office. The Commissioner of Transportation shall have the authority to waive any otherwise applicable permit fees related to such a request.
- 9. In accordance with 49 C.F.R. § 390.23 as adopted by Tenn. Comp. R. & Regs. 1340-06-01-.08, there is hereby provided a temporary exception from the federal rules and regulations in 49 C.F.R. Part 395 limiting the hours of service for the operator of a commercial motor vehicle providing supplies, equipment, personnel, and other provisions to assist persons affected by the severe weather in Tennessee, subject to the following conditions:
  - a. Nothing in this Order shall be construed as an exemption from the Commercial Driver's License requirements in 49 C.F.R. § 383, the financial

- b. No motor carrier operating under the terms of this Order shall require or allow an ill or fatigued driver to operate a motor vehicle. A driver who notifies a motor carrier that he or she needs immediate rest shall be given at least ten (10) consecutive hours off-duty before the driver is required to return to service.
10. The provisions of Tennessee Code Annotated, Section 62-35-115, and related rules are hereby suspended to the extent that they would otherwise apply to non-resident security guards or security officers properly registered or licensed in another jurisdiction providing support to the areas affected by the severe weather in Tennessee; provided, that the following conditions are met:
    - a. Such non-resident registered or licensed security guards or security officers are employed only within the areas affected by the severe weather in Tennessee; and
    - b.
