RE: Maryland's First Report of Injury

Dear Policyholder:

Once you file a worker's compensation claim with us, a First Report of Injury is required on any lost time claim, which means that the injured worker has at least three (3) days of disability due to the work incident, as determined by his/her physician. A First Report of Injury filing with the State of Maryland is not required on a medical only claim.

At Markel Service Incorporated, a servicing entity of Markel Insurance Company, we will complete the First Report of Injury on any lost time claim and file this form timely with the State of Maryland.

Please do not file any First Report of Injury filings with the State or contact the State to file a First Report of Injury. This form does not actually exist, but is created by the Markel adjusters handling your lost time claims and then filed with the State of Maryland.

If you have questions on this procedure, please feel free to contact our Claims Department at 888-500-3344.
