Emergency Rule 45—Suspension of Certain Statutes Regarding Cancellations, Terminations, Non-Renewals, and Nonreinstatements, Premium Payments, Claim Filings and Related Provisions Regarding Any and All Insurance Matters Affecting Insureds in Louisiana Caused by the State of Emergency Declared by Governor John Bel Edwards on August 21, 2020, Due to Hurricane Laura

In August and September 2020, President Donald J. Trump declared a State of Emergency in Louisiana due to the devastation caused by Hurricane Laura and its aftermath. Contemporaneously, Governor John Bel Edwards declared a State of Emergency in Louisiana for the same reasons. Furthermore, President Donald J. Trump invoked the Stafford Act and declared a national emergency regarding Hurricane Laura and its aftermath which has caused devastation to the lives and property of the citizens of Louisiana, and the residual effect of that storm poses a significant risk to the health, safety and welfare to a substantial number of the citizens of our state.

The Department of Insurance hereby exercises the emergency provisions of the Administrative Procedure Act, R.S. 49:953(B), as further specified by R.S. 22:11.1, and pursuant to the authority granted by R.S. 22:1 et seq., adopts, maintains, and continues in effect Emergency Rule 45 until November 18, 2020, unless terminated sooner, which is issued to address the statewide public health emergency declared to exist in the state of Louisiana. Emergency Rule 45 became effective August 27, 2020 and shall continue in effect until November 18, 2020, unless terminated sooner, as allowed under the Administrative Procedure Act.

Emergency Rule 45 is issued to address the devastation caused by Hurricane Laura and its aftermath that has created emergency conditions threatening the health, safety and welfare of the citizens of Louisiana who are insureds and who either reside in or have insured property located in one of the following 16 parishes, to wit: Acadia; Allen; Beauregard; Calcasieu; Cameron; Grant; Jackson; Jefferson Davis; Lincoln; Natchitoches; Ouachita; Rapides; Sabine; Vermilion; Vernon; or Winn. Emergency Rule 45 is issued under the authority of the Commissioner of Insurance for the State of Louisiana, pursuant to the following: Proclamation No. JBE 2020-108 issued on August 21, 2020 by Governor John Bel Edwards declaring a State of Emergency extending from August 21, 2020 through September 20, 2020, unless terminated sooner; Proclamation No. JBE 2020-124 issued on September 18, 2020 renewing the State of Emergency and extending from September 20, 2020 through October 19, 2020, unless terminated sooner; Proclamation No. JBE 2020-115 issued on September 3, 2020 transferring authority over all insurance regulatory statutes in the Louisiana Insurance Code, Title 22 of the Louisiana Revised Statutes of 1950, to Commissioner of Insurance James J. Donelon (Commissioner); and Proclamation No. JBE 2020-141 issued October 19, 2020 renewing the State of Emergency and continuing the transfer of authority over all insurance regulatory statutes in the Louisiana Insurance Code, Title 22 of the Louisiana Revised Statutes of 1950, to the

Commissioner, and extending from October 20, 2020 through November 18, 2020 unless terminated sooner.

Accordingly, Emergency Rule 45 shall apply to any and all types of insurers as set forth in R.S. 22:48, and any and all kinds of insurance as set forth in R.S. 22:47, including, but not limited to all property and casualty insurers, all life insurers, all annuity insurers, and all health maintenance organizations (HMOs), managed care organizations (MCOs), preferred provider organizations (PPOs), pharmacy benefit managers (PBMs), and third party administrators (TPAs) acting on behalf of an HMO, MCO, PPO, and any and all other insurance related entities licensed by the Commissioner or doing business in Louisiana (collectively known as “health insurance issuers”) and their insureds, policyholders, members, subscribers, enrollees and certificate holders.

Hurricane Laura and its aftermath has created a mass disruption to the normalcy previously enjoyed in Louisiana and is an immediate threat to the public health, safety, and welfare of Louisiana citizens. To minimize these threats, the State of Louisiana has had to impose significant measures that will certainly have a negative economic impact on the state, resulting in financial hardship for the citizens of Louisiana regarding all matters related to all types of insurers and all kinds of insurance and also threatening access to adequate insurance coverage following an event of this magnitude when such insurance coverage is especially important. In order to respond to the ongoing emergency and to protect and safeguard the public health, safety, and welfare of the citizens of this state, it is necessary to issue Emergency Rule 45.

#### **§4543. Sixty Day Period to Initiate Adjustment of Property Claims**

A. In accordance with R.S. 22:1892(A)(3), Hurricane Laura and its aftermath qualifies as a catastrophic loss event that requires insurers to initiate loss adjustment of a property damage claim within 30 days after notification of loss by the insured claimant.

B. In furtherance of R.S. 22:1892(A)(3), the severity of the devastation caused by Hurricane Laura and its aftermath qualifies for an additional 30 days for insurers to initiate loss adjustment of a property claim after notification of loss by the insured claimant.

C. Therefore, insurers shall have a total of 60 days to initiate loss adjustment of a property damage claim after notification of loss by the insured claimant.

D. This declaration is based on the representation that the additional time period is necessary due to the large volume of claims resulting directly from Hurricane Laura and its aftermath, and with the admonition that insurers will promptly identify, evaluate, and resolve these claims. Insurers must continue to provide timely service to their insured claimants by promptly acknowledging receipt of claims and making appropriate assignments for the adjustment of claims.

**NOW THEREFORE, I, JOHN BEL EDWARDS,** Governor of the State of Louisiana, by virtue of the authority vested by the Constitution and the laws of the State of Louisiana, do hereby order and direct as follows:

**SECTION 1:** Section 3 of Proclamation Number 108 JBE 2020 is hereby amended as follows:

**NOW THEREFORE, I, JOHN BEL EDWARDS,** Governor of the State of Louisiana, by virtue of the authority vested by the Constitution and the laws of the State of Louisiana, do hereby order and direct as follows:

## **SECTION 1: GENERAL PROVISIONS**

- A) Pursuant to the Louisiana Homeland Security and Emergency Assistance and Disaster Act, La. R.S. 29:721, *et seq.*, a state of emergency is hereby declared to continue to exist statewide in the State of Louisiana as a result of the continued threat of emergency conditions that threaten the lives and property of the citizens of the State.
- B) The Director of the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) is hereby authorized to continue to undertake any activity authorized by law which he deems appropriate in response to this declaration.
- C) Pursuant to La. R.S. 29:732, prices charged or value received for goods and services sold within the designated emergency area may not exceed the prices ordinarily charged for comparable goods and services in the same market area at or immediately before the time of the state of emergency, unless the price by the seller is attributable to fluctuations in applicable commodity markets, fluctuations in applicable regional or national market trends, or to reasonable expenses and charges and attendant business risk incurred in procuring or selling the goods or services during the state of emergency.

## **SECTION 2: LICENSED BED CAPACITY FOR NURSING HOMES**

- A) The suspension of the provisions of La. R.S. 40:2116(D)(2) is hereby continued for the purpose of allowing the Secretary of the Department of Health, at her discretion, to establish such protocols, policies, and procedures as to allow a licensed nursing facility which accepts or receives evacuated residents to temporarily exceed its licensed bed capacity in the event of a declared emergency.
- B) The Secretary of the Department of Health may establish such protocols, policies, and procedures without strict compliance with the requirements and provisions of the Administrative Procedure Act.

## **SECTION 3: REGULATORY SUSPENSIONS, DEADLINES, AND INSURANCE COMMISSIONER**

- A) Pursuant to La. R.S. 29:724(D)(1), suspensions of the Louisiana Procurement Code (La. R.S. 39:1551, *et seq.*) and Louisiana Public Bid Law (La. - B) Pursuant to La. R.S. 29:724(D)(1), the suspensions of the provisions of La. R.S. 39:126 regarding prior approval of change orders are hereby continued.
- C) Suspensions of the deadlines for judicial and sheriffs' sales contained in *La. R.S. 13:4341 et seq.* are hereby continued in Cameron, Calcasieu, and Beauregard parishes.
- D) The requirements of La. R.S. 35:192 that bond required of notaries by R.S. 35:191 shall be submitted to the clerk of court and ex officio recorder of mortgages for the parish where the notary will exercise the functions of his office shall be suspended for the parishes of Cameron, Calcasieu, and Beauregard. The obligation to file with the Secretary of State is, however, not suspended.

- E) The Commissioner of Insurance shall continue to have limited transfer of authority from the Governor to suspend provisions of any statute of the Louisiana Insurance Code, Title 22 of the Louisiana Revised Statutes of 1950, concerning the cancellation, termination, nonrenewal, and reinstatement provisions of Title 22, including, but not limited to, R.S. 22:272, 22:887, 22:977, 22:978, 22:1068, 22:1074, 22:1266, 22:1267, 22:1311, and 22:1335, where such statutory requirements may prevent, hinder, or delay necessary action in light of the current emergency relative to Hurricane Laura and its aftermath, including providing additional time for policyholders to complete existing claims and to remit premium payments to avoid cancellation of policies, prohibiting cancellations where policyholders are incapable of fulfilling requirements due to evacuation or inhabitability, providing for continuation of coverage and suspending rate increases, providing for the payment of claims incurred during any prohibition on cancellations imposed under this authority, and providing for provider access and prescription drug benefit requirements necessary to protect public health and welfare. #### **SECTION 4: EDUCATION**

- A) All Public Post-secondary institutions and proprietary schools within the State of Louisiana that are licensed by the Louisiana Board of Regents shall continue to be allowed to substitute in-person clinical and classroom instruction with online and lab simulations for enrolled students for the duration of the declared emergency.
- B) Relative to the initial eligibility requirements for a Taylor Opportunity Program for Students Award, for students residing in parishes that have been designated a major disaster affected parish by FEMA due to the impact of Hurricane Laura, the following requirements shall continue to be suspended:
- 1) The requirement that students must live in Louisiana and complete their last four (4) semesters at a Louisiana high school or that their parents must reside in Louisiana for the 24 months preceding high school graduation, as set forth in La. R.S. 17:5023.
  - 2) The requirement that a student score a minimum of 23 on the ACT to receive the Opportunity Award if they graduate from an out of state high school, as set forth in La. R.S. 5029 (B)(3).
  - 3) The home study requirements set forth in La. R.S. 17:5029(B)(1)(b)(i).
- C) Relative to the continuing eligibility requirements for a Taylor Opportunity Program for Students Award, for students residing in parishes, or are attending an institution of higher education located within a parish, that have been designated a major disaster affected parish by FEMA due to the impact of Hurricane Laura, the following requirements shall continue to be suspended:
- 1) The steady academic progress requirements imposed by La. R.S. 17:5041 and 17:5042.
  - 2) The minimum grade point average requirements imposed by La. R.S. 17:5041 and 17:5042.

- 3) The deadlines imposed by La. R.S. 17:5041 or La. R.S. 17:5042 requiring that a student whose award is suspended for failure to meet the grade point average requirements must bring their grade point average up to that required in the applicable statute within a specific time period.
  - 4) The requirement that one semester of TOPS eligibility be reduced for each semester attended full time at an out of state institution, as set forth in La. R.S. 17:5043.
- D)** Relative to the initial eligibility requirements for a Taylor Opportunity Program for Students Award for high school graduates of 2020 who reside in parishes that have been designated a major disaster affected parish by FEMA due to the impacts of Hurricane Laura, and for high school graduates of 2020 whose ACT or SAT testing site was closed to mitigate the spread of COVID-19, the deadline for achievement of a qualifying score on the ACT or SAT set forth in 17:5103(B)(1)(a) shall continue to be waived. Students are encouraged to take the ACT no later than December 31, 2020.

## **SECTION 5: UNEMPLOYMENT INSURANCE**

- A)** For the purpose of this Proclamation, “disaster-related claims” shall mean claims for unemployment compensation filed by persons whose unemployment is directly due to the effects of flooding or due to their inability to get to their job or worksite because they cannot travel through a disaster parish, as determined by the administrator of the state’s unemployment compensation program, i.e. the Secretary of the Louisiana Workforce Commission. Disaster-related claims will not necessarily include all claims in all parishes included in the flooding disaster proclamations, declarations or orders.
- B)** Suspensions of the following statutes relative to unemployment insurance, to the extent and in the manner described below, are hereby continued:
- 1) La. R.S. 23:1533, which provides for claimants' benefits to be charged against base period employers for purposes of employers' tax experience ratings and the protesting of such charges by employers, shall be suspended for disaster-related claims made during the effective period of this Proclamation.
  - 2) La. R.S. 23:1552, which provides for the charging of claimants' benefits to certain employers, shall be suspended for disaster-related claims made during the effective period of this Proclamation.
  - 3) La. R.S. 23:1541, which provides for notice of benefits charged against employer’s experience rating record, is extended only to the extent that it requires the administrator to render quarterly statements to each employer of benefits paid each individual and charged to his experience rating record. The benefits paid to persons whose unemployment resulted from the impact of disaster-related claims will not be charged against the employer's account. To send out notices as traditionally done is likely to cause confusion since such notices include benefit charges by all former employees, including those whose benefit will be charged against the social charge account.
  - 4) La. R.S. 23:1600(2), (3), and (4) shall be suspended while this

Proclamation is in effect for disaster-related claims to the extent that they require claimants to register and search for work, have a waiting period of one week and be paid a required amount of wages to be eligible for unemployment insurance benefits. The requirements in La. R.S. 23:1600(2) that claimants continue to report in the manner prescribed by the Secretary, and in La. R.S. 23:1600(3) that claimants be able to work and be available for work, are waived. The requirement to continue to report, which is accomplished through either an automated telephone system or the Internet, is not impractical and avoids overpayments, which claimants would be liable to repay. The requirement in La. R.S. 23:1600(4) that claimants wait a period of one week before receiving benefits is waived. In the immediate aftermath of the flooding, waived requirements are not practical for claimants without fixed temporary or permanent housing and verification of such activities is not practical in many areas affected by the flooding.

- 5) The provisions of this section shall continue to be effective upon signature for those parishes covered by the Major Presidential Declaration dated August 22, 2020, and for those parishes covered by any subsequent expansion of Declaration.

**SECTION 6:** All departments, commissions, boards, agencies, and officers of the State, or any political subdivision thereof, are authorized and directed to cooperate in actions the State may take in response to the effects of this severe weather event.

**SECTION 7:** This order is effective upon signature and shall remain in effect from Sunday, September 20, 2020 to Monday, October 19, 2020, unless terminated sooner.

**IN WITNESS WHEREOF**, I have set my hand officially and caused to be affixed the Great Seal of Louisiana in the City of Baton Rouge, on this 18<sup>th</sup> day of September, 2020.

**SECTION 2: LICENSED BED CAPACITY FOR NURSING HOMES**

- A) The suspension of the provisions of La. R.S. 40:2116(D)(2) is hereby continued for the purpose of allowing the Secretary of the Department of Health, at her discretion, to establish such protocols, policies, and procedures as to allow a licensed nursing facility which accepts or receives evacuated residents to temporarily exceed its licensed bed capacity in the event of a declared emergency.
- B) The Secretary of the Department of Health may establish such protocols, policies, and procedures without strict compliance with the requirements and provisions of the Administrative Procedure Act.

**SECTION 3: REGULATORY SUSPENSIONS, DEADLINES, AND INSURANCE COMMISSIONER**

- A) Pursuant to La. R.S. 29:724(D)(1), suspensions of the Louisiana Procurement Code (La. R.S. 39:1551, *et seq.*) and Louisiana Public Bid Law (La. R.S. 38:2211, *et seq.*) and their corresponding rules and regulations are hereby continued for the purpose of the procurement of any good or services necessary to respond to this emergency, including emergency contracts, cooperative endeavor agreements, and any other emergency amendments to existing contracts.
- B) Pursuant to La. R.S. 29:724(D)(1), the suspensions of the provisions of La. R.S. 39:126 regarding prior approval of change orders are hereby continued.
- C) Suspensions of the deadlines for judicial and sheriffs' sales contained in *La. R.S. 13:4341 et seq.* are hereby continued in Cameron, Calcasieu, and Beauregard parishes.
- D) The Commissioner of Insurance shall continue to have limited transfer of authority from the Governor to suspend provisions of any statute of the Louisiana Insurance Code, Title 22 of the Louisiana Revised Statutes of 1950, concerning the cancellation, termination, nonrenewal, and reinstatement provisions of Title 22, including, but not limited to, R.S. 22:272, 22:887, 22:977, 22:978, 22:1068, 22:1074, 22:1266, 22:1267, 22:1311, and 22:1335, where such statutory requirements may prevent, hinder, or delay necessary action in light of the current emergency relative to Hurricane Laura and its aftermath, including providing additional time for policyholders to complete existing claims and to remit premium payments to avoid cancellation of policies, prohibiting cancellations where policyholders are incapable of fulfilling requirements due to evacuation or inhabitability, providing for continuation of coverage and suspending rate increases, providing for the payment of claims incurred during any prohibition on cancellations imposed under this authority, and providing for provider access and prescription drug benefit requirements necessary to protect public health and welfare. This Order shall not relieve an insured who has a claim caused by Hurricane Laura and its aftermath from compliance with the insured's obligation to provide information and cooperate in the claim adjustment process relative to such claim, or to pay insurance premiums upon termination of the provisions of this Order.
- E) Penalties and interest due on state and local sales and use tax collected by the Office of Motor Vehicles for vehicles domiciled in Beauregard Parish and Calcasieu Parish, which began on or after August 21, 2020 are suspended and waived until October 31, 2020.

#### **SECTION 4: EDUCATION**

- A) All Public Post-secondary institutions and proprietary schools within the State of Louisiana that are licensed by the Louisiana Board of Regents shall continue to be allowed to substitute in-person clinical and classroom instruction with online and lab simulations for enrolled students for the duration of the declared emergency.
- B) Relative to the initial eligibility requirements for a Taylor Opportunity Program for Students Award, for students residing in parishes that have been designated a major disaster affected parish by FEMA due to the impact of Hurricane Laura (Proclamation Number 108 JBE 2020), the following requirements shall continue to be suspended:
  - 1) The requirement that students must live in Louisiana and complete their last four (4) semesters at a Louisiana high school or that their parents must reside in Louisiana for the 24 months preceding high school graduation, as set forth in La. R.S. 17:5023.
  - 2) The requirement that a student score a minimum of 23 on the ACT to receive the Opportunity Award if they graduate from an out of state high school, as set forth in La. R.S. 5029 (B)(3).
  - 3) The home study requirements set forth in La. R.S. 17:5029(B)(1)(b)(i).
- C) Relative to the continuing eligibility requirements for a Taylor Opportunity Program for Students Award, for students residing in parishes, or are attending an institution of higher education located within a parish, that have been designated a major disaster affected parish by FEMA due to the impact of Hurricane Laura (Proclamation Number 108 JBE 2020), the following requirements shall continue to be suspended:
  - 1) The steady academic progress requirements imposed by La. R.S. 17:5041 and 17:5042.
  - 2) The minimum grade point average requirements imposed by La. R.S. 17:5041 and 17:5042.
  - 3) The deadlines imposed by La. R.S. 17:5041 or La. R.S. 17:5042 requiring that a student whose award is suspended for failure to meet the grade point average requirements must bring their grade point average up to that required in the applicable statute within a specific time period.
  - 4) The requirement that one semester of TOPS eligibility be reduced for each semester attended full time at an out of state institution, as set forth in La. R.S. 17:5043.
- D) Relative to the initial eligibility requirements for a Taylor Opportunity

Program for Students Award for high school graduates of 2020 who reside in parishes that have been designated a major disaster affected parish by FEMA due to the impacts of Hurricane Laura (Proclamation Number 108 JBE 2020), and for high school graduates of 2020 whose ACT or SAT testing site was closed to mitigate the spread of COVID-19, the deadline for achievement of a qualifying score on the ACT or SAT set forth in 17:5103(B)(1)(a) shall continue to be waived. Students are encouraged to take the ACT no later than December 31, 2020.

## **SECTION 5: UNEMPLOYMENT INSURANCE**

- A) For the purpose of this Proclamation, “disaster-related claims” shall mean claims for unemployment compensation filed by persons whose unemployment is directly due to the effects of flooding or due to their inability to get to their job or worksite because they cannot travel through a disaster parish, as determined by the administrator of the state’s unemployment compensation program, i.e. the Secretary of the Louisiana Workforce Commission. Disaster-related claims will not necessarily include all claims in all parishes included in the flooding disaster proclamations, declarations or orders.
- B) Suspensions of the following statutes relative to unemployment insurance, to the extent and in the manner described below, are hereby continued:
- 1) La. R.S. 23:1533, which provides for claimants' benefits to be charged against base period employers for purposes of employers' tax experience ratings and the protesting of such charges by employers, shall be suspended for disaster-related claims made during the effective period of this Proclamation.
  - 2) La. R.S. 23:1552, which provides for the charging of claimants' benefits to certain employers, shall be suspended for disaster-related claims made during the effective period of this Proclamation.
  - 3) La. R.S. 23:1541, which provides for notice of benefits charged against employer’s experience rating record, is extended only to the extent that it requires the administrator to render quarterly statements to each employer of benefits paid each individual and charged to his experience rating record. The benefits paid to persons whose unemployment resulted from the impact of disaster-related claims will not be charged against the employer's account. To send out notices as traditionally done is likely to cause confusion since such notices include benefit charges by all former employees, including those whose benefit will be charged against the social charge account.
  - 4) La. R.S. 23:1600(2), (3), and (4) shall be suspended while this Proclamation is in effect for disaster-related claims to the extent that they require claimants to register and search for work, have a waiting period of one week and be paid a required amount of wages to be eligible for unemployment insurance benefits. The requirements in La. R.S. 23:1600(2) that claimants continue to report in the manner prescribed by the Secretary, and in La. R.S. 23:1600(3) that claimants be able to work and be available for work, are waived. The requirement to continue to report, which is accomplished through either an automated telephone system or the Internet, is not impractical and avoids overpayments, which claimants

would be liable to repay. The requirement in La. R.S. 23:1600(4) that claimants wait a period of one week before receiving benefits is waived. In the immediate aftermath of the flooding, waived requirements are not practical for claimants without fixed temporary or permanent housing and verification of such activities is not practical in many areas affected by the flooding.

- 5) The provisions of this section shall continue to be effective upon signature for those parishes covered by the Major Presidential Declaration dated August 22, 2020, and for those parishes covered by any subsequent expansion of the August 21, 2020 Declaration.

**SECTION 6:** All departments, commissions, boards, agencies, and officers of the State, or any political subdivision thereof, are authorized and directed to cooperate in actions the State may take in response to the effects of this severe weather event.

**SECTION 7:** This order is effective upon signature and shall remain in effect from Tuesday, October 20, 2020 to Wednesday, November 18, 2020, unless terminated sooner.

**IN WITNESS WHEREOF,** I have set my hand officially and caused to be affixed the Great Seal of Louisiana in the City of Baton Rouge, on this 19<sup>th</sup> day of October, 2020.
